Re: Axel Grothey, MD

It is my pleasure to recommend Dr. Axel Grothey for medical licensure in the State of Tennessee. I have known Dr. Grothey for about 10 years, including as a Mayo Clinic colleague for the last two. Dr. Grothey has a great reputation amongst his patients and referring physicians as a highly competent, compassionate and caring physician. Dr. Grothey is one of the leading physicians and researchers in the field of cancer.

I highly recommend Dr. Grothey for licensure in the state of Tennessee. Please feel free to contact me for any further information.

Sincerely,

Tanios S. Bekaii-Saab M.D.
